

Asian Institute of Finance + Repeat Signage adds up to a great agenda

<http://www.aif.org.my>

The Asian Institute of Finance (AIF), Kuala Lumpur, Malaysia, focuses on developing human capital across the financial services industry in Asia. Established by the Central Bank of Malaysia (Bank Negara Malaysia) and the Securities Commission Malaysia, AIF is committed to elevating Malaysia's role as a premier provider of comprehensive solutions for the financial sector across the region.

Today's Programme:

9.00am
CEO attending the 'Connecting Viewpoints' Conference
Sasana Kijang, Bank Negara Malaysia

"The main objective of Repeat Signage in my organization is to publish my CEO's agenda on a day to day basis. Apart from his agenda, we have incorporated a live video stream of Bloomberg TV and a flash RSS feed placed at the bottom of the video" Wai Keong, Chang, Information Technology, AIF.

Repeat Signage is professional, easy to use digital signage software for Windows. You can download an evaluation of Repeat Signage at: www.repeatsoftware.com

Repeat Signage Standard and Professional editions allows you to schedule your presentations for viewing at different times of the day and week. You can update remotely over the Internet, ideal for when you have display screens in branches across a region or worldwide. Touch screen capable. Online training and help menu.

RepeatServer lets you create your own RSS feeds and update these via the Internet, plus there are over a thousand images for you to download to use in your signage presentations. www.repeatserver.com
